

## Engage, Inspire, and Educate at Your Next Event!

Kristi Royse will energize and inspire your group with her keynotes and workshops! Her enthusiasm never fails to engage an audience, and her interactive style and practical take-aways provide real results. Available for conferences, keynotes, breakouts, affinity groups, all-hands and more. All programs are fully customizable and available in-person or virtually.

### Popular Topics Include:

- ◆ **New Beginnings, New Perspectives:** Change is hard! But when you shift your viewpoint you can make change a catalyst for growth and success. Learn the concepts of a growth mindset, grit, and resilience, with strategies & steps you can use right away.
- ◆ **Engage & Retain: Keep your people!** Don't just talk about it; make employee engagement happen with usable, action-based changes to your workplace approach.
- ◆ **Win Hearts & Minds:** What the most successful leaders do differently. Practice the habits and behaviors of the best leaders and increase your impact, influence, and the success of your organization.
- ◆ **Team for the Win:** The best leaders know that cohesive teams are the way to succeed. Intro to DiSC concepts & principles.
- ◆ **Do You Have the IT Factor?** Confidence. Charisma. Magnetism. There is no mistaking the "It Factor". A leader with a strong presence influences and connects. The good news? Executive presence can be developed! Learn techniques to build and leverage your own executive presence.
- ◆ **Presentations On Fire:** Influence clients, colleagues, leaders and stakeholders. Get your point across and make a difference. We'll give you the techniques, tools, and confidence to make powerful, influential presentations, every time.
- ◆ **Powerful Conversations:** What important conversations are you avoiding? Develop the skills and confidence to communicate effectively with everyone—Your boss, board, direct reports, clients, colleagues, even your significant other.
- ◆ **Personal Strategic Planning / Strategic Planning: 7 Steps to Growth**
- ◆ **The Art of Giving & Receiving Feedback**
- ◆ **Productive Conflict**
- ◆ **Trust - The Foundation of Successful Organizations**

*"You filled the room tonight! People were wowed by you and your message. Some even remarked that they did not know that the Commonwealth Club had such personally meaningful programs, and that they wanted to become members! What a wonderful commentary on your program."*

*~ Denise Michaud, Co-Chair,  
Grownups Forum,  
Commonwealth Club of San Francisco*

*"I have seen Kristi in action on a number of occasions. Her ability to connect with the audience is amazing! She excels at energizing and motivating participants. Whether she is presenting on effective feedback, personal strategic planning, or another topic, there are always practical takeaways that help everyone focus and continue their growth long after her presentation is over."*

*~ Mindy Morton, Partner,  
Procopio, Cory, Hargreaves & Savitch LLP*

## About Kristi

Kristi Royse, CEO of KLR Consulting, helps executives and teams tap their full potential, achieve higher levels of performance, and develop effective communication and collaboration skills.

A nationally-recognized speaker with a proven track record of delivering powerful motivational experiences, Kristi's programs offer tangible steps for measurable results.

Since 1987 she has presented to groups of all sizes and in all industries, encouraging participation, collaboration, and learning in a fun, inclusive environment.

Kristi has a Bachelor of Science degree from CalPoly, San Luis Obispo, and spent many years in corporate executive roles. She calls Silicon Valley home, where she enjoys long runs on the beach with her yellow lab, Maddie.
